

Extended Warranty for Heatless Desiccant Air Dryers

Models KAD 40 - 3000 scfm

Extend your standard 1 year warranty to
5 years from date of purchase to cover parts
and labor for these major components:

- Tower vessels
- Valve bodies
- Inlet / outlet shuttle valves
- Purge / re-pressurization valves
- Filter housings
- Strainers and diffusers
- Control board

Requirements to qualify:

- Purchase the filter option with dryer
- Complete the online registration at www.kaeser.com/warranty
- Purchase maintenance kits annually
- Purchase one full charge of replacement desiccant within first 4 years of operation
- Maintain the dryer in accordance with the product manual
- Submit desiccant test samples each year

For your convenience, we will email you when it's time to reorder. We'll provide the maintenance kit part number and your local distributor contact.
