Kaeser Compressors, Inc. is excited to announce the opening of factory-direct branches to serve customers throughout South Florida. A combination of brick and mortar facilities and "mobile warehouse" service

vehicles will provide direct manufacturer support—including KFaCT certified service, parts, equipment sales, and expert system engineering—to customers from Key West to Port St. Lucie.

“We are committed to providing our South Florida customers with the seamless support they deserve.” said Matt McCorkle, Director of Branch Operations. “We are on the ground and prepared to execute, ensuring our customers’ systems achieve peak reliability and maximum energy efficiency without delay.”

Kaeser’s local team of certified experts is now available to assist with immediate needs, from routine maintenance and troubleshooting to complete system design and installation. The new branches offer a direct line to the manufacturer, ensuring faster response times and technical expertise for industrial, commercial, and institutional users.

For more information, visit us.kaeser.com/miami, email miami@kaeser.com, or call (800) 394-6095 to schedule a consultation or service visit.

About Kaeser Compressors, Inc.: Kaeser Compressors is a leader in reliable, energy efficient compressed air equipment and system design. We offer a complete line of superior quality industrial air compressors as well as dryers, filters, SmartPipe™, master controls, and other system accessories. Kaeser also offers blowers, vacuum pumps, and portable gasoline and diesel screw compressors. Our national service network provides installation, rentals, maintenance, repair, and system audits. Kaeser is an ENERGY STAR Partner.
