

KC Mathieu, owner of the renowned KC's Paint Shop and KC's Speed Shop in Burleson, Texas, is putting the pedal to the metal. Learning from his father in an auto body shop in Crowley, Texas, KC began to take his passion and creativity to the next level. At 12 years old, he painted his first car and quickly developed the skills that many custom painters work decades to achieve. His diligent, professional style, natural talent, and work ethic quickly garnered the attention of the entire industry.

KC has been featured on Discovery Channel's hit series, Fast N'Loud, numerous national magazine article features, guest appearances on news and radio broadcasts, and been a celebrity staple at car and trade shows across America.

Industrial Quality for Your Shop

AirCenter Series
3 to 20 hp

Airtower Series
3 to 7.5 hp

If you are like most air compressor owners, you need a reliable source of clean, dry air that you do not have to think about on a daily basis. You have enough to do without designing and then installing a new compressed air system. To help keep things simple, Kaeser offers the Airtower and AirCenter, affordable but rugged rotary screw compressors for light industrial and commercial applications from 3 to 20 hp.

We combine the reliability, energy efficiency and easy-to-service design of our industrial rotary screw compressors with a storage tank and dryer. Airtowers and AirCenters are completely assembled and their compact design saves you precious floor space. They arrive ready for installation, saving you a lot time and expense. The small footprint and super-quiet operation let you place the system almost anywhere.

Kaeser Compressors, Inc. is a global provider of superior commercial and industrial compressed air systems. Our innovative technologies provide end users with the right air system for their specific needs and application. Product lines include stationary and portable compressors, blowers, vacuum pumps, and an entire line of air treatment and system controls
